Jayne,

Your information is correct, I will become the interim WQD Administrator starting tomorrow. I can tell I need to be in the meeting. For 12/5, I can be there from 10-10:30. In the future, I will be there as often as possible.

Thanks for contacting and inviting me.

Greg

Subject: Available Dec 5 from 10-11 for Oregon CZARA 6217 Quarterly Update Conference Call?

Hi,

A few months ago, we set up a call with EPA (HQ & R10), NOAA and Oregon DEQ targeted towards top management of both EPA R10 and Oregon DEQ on the Oregon CZARA 6217 Settlement. Specifically, the call would focus on major accomplishments, issues/challenges and possible approaches to addressing these issues/challenges.

I recently found out that Neil is retiring and you are acting Water Quality Division Administrator. Please let me know whether you can participate. With this information, I can develop an appropriate agenda and email a draft agenda for review today.

Regards,

Jayne Carlin, Oregon CZARA 6217 Coordinator
